

## Leading a Discipleship (Training) Group

### Level of Competence Desired:

- |  | Field Experience |
|--|------------------|
| 1. Demonstrates the ability to create a relational environment and establish friendships with the group members.     | _____            |
| a. Spend time (at least one hour every other week) with each group member outside of the ministry.                   |                  |
| b. Spend time (one event per semester) with the group as a whole outside of the ministry.                            |                  |
| 2. Takes each group member out sharing in his/her target audience.   | _____            |
| 3. Understands and utilizes the elements of a discipleship group meeting.  | _____            |
| a. Sharing/fellowship: establish a relaxed, relational environment.  |                  |
| b. Prayer: lead the group in prayer for each other, the campus and the world.  |                  |
| c. Biblical content: clearly communicate the biblical content and provide ample time for discussion.                 |                  |
| d. Vision: stretch each group member's vision for their own personal growth as they help reach the campus and world. |                  |
| e. Training: place an emphasis on the pursuit of excellence in ministry skills.                                      |                  |
| 4. Regularly prays for each group member.  | _____            |

### Special Instructions:

Have your mentor come to one of your Discipleship Group meetings to share his/her testimony and to observe your group.
