The Orlando Institute
Equipping Leaders to Disciple the Nations

NT 100 New Testament Survey

Syllabus

Dr. Robert Singleton

I. Objectives: by the completion of this class you will:

1. develop greater understanding of the New Testament character and doctrine
2. have a deeper appreciation for the New Testament as a book of faith
3. gain more trust in God and readiness to live for Him
4. read about the events and people who bring the goals of God and mankind to reality and
describe in some detail the main movements which have occurred in New Testament
history.
5. focus on the key individuals and situations which made critical differences in the development
of peoples and fulfillment of the Great Commission.
6. Learn the theology and ethics of living before God.

II. Sessions
